LSRCSS · DRAWING 20 · MR. BAMFORD

INSTRUCTIONS

Over the next 15 days you will be completing 15 drawings done in response to the prompts in this handout. There are a total of 30 prompts, so you will be choosing which 15 you want to complete. Follow these directions:

- Each prompt can only be used once
- Your drawings can be as small as 1/2 a sketchbook page each, but if you want to go larger on some or all of your 15 drawings then you certainly can
- Each drawing should take 45 minutes or more to complete
- Put a small number in the corner of your drawing to indicate which prompt you used
- Your drawings can be formatted either portrait or landscape - whichever works best for your idea
- Have fun with these ideas, be creative, experiment and take risks

- You are welcome to work in any drawing media you like, but don't do all of the drawings in pencil - you may want to try drawing in pigment liner, ballpoint pen, or any other materials you have on hand
- Feel free to play around with different drawing approaches (realistic, distorted, scribbly, cartoony, etc.)
- These drawings should be of your own creation - don't copy the work of other artists, don't go to a Google image search, Pinterest or Instagram looking for inspiration
